

## TECHNICAL DATASHEET

### **FILLER BUSTER**

**ART. NO:** #124.B40, #124.B80, #124.B120 (P40 - P120)

Carworx FILLER BUSTER is a patented abrasive that revolutionizes the standards of sanding not only making it more effective, efficient and economical, but virtually dust-free. Thanks to its state-of-the-art backing consisting of special abrasive strips applied onto a breathable fabric, sanding dust can easily pass through the discs surface, preventing the spread of harmful particles in the workplace. It also drastically reduces the temperature generated by sanding and prevents the formation of large accumulations and clogging, ensuring an impeccable finish free of flaws. Aggressive and durable, FILLER BUSTER is ideal for use on large surfaces when removing body filler and paint down to the metal.

#### **FEATURES**

- ✓ *Patented abrasive*
- ✓ *Breathable fabric backing*
- ✓ *Dust-repellent*
- ✓ *Prevents clogging*
- ✓ *Excellent cutting capabilities*
- ✓ *Efficient & economical*

#### **SECTORS OF APPLICATION**

- ✓ *Auto Repair*
- ✓ *Building & Decoration*
- ✓ *Vehicle production*
- ✓ *Do It Yourself*
- ✓ *Boating*
- ✓ *Carpentry*

#### **SUITABLE FOR USE ON**

- ✓ *Aluminum*
- ✓ *Hardwood*
- ✓ *Non-ferrous metals*
- ✓ *Paint*
- ✓ *Lacquer*
- ✓ *Plaster*
- ✓ *Plaster of paris*
- ✓ *Plastic materials*
- ✓ *Chipboard*
- ✓ *Copper / Brass / Bronze alloys*
- ✓ *Fiberglass*

#### **PRODUCT DATA**

**Backing:** Patented paper fabric

**Grain:** Aluminum Oxide

**Bonding:** Resin

**Width:** 1650 mm

**Coating:** Open

**Grit:** P40 - P120

**Color:** Maroon
