Carworx GREEN ICE is a high performance abrasive with a special dust repellent coating designed for coarse, medium and fine sanding of all paint materials. With an exceptionally long service life and good initial abrasiveness, GREEN ICE can be used for sanding all colours and paint types whether machine sanding or sanding by hand. Ideal for contour sanding and machine dry primer sanding of surfaces.

FEATURES

- ✓ Premium quality sandpaper
- ✓ Excellent cutting performance
- ✓ Dust repellent coating
- ✓ Ideal for contour sanding
- ✓ Longer-lasting life

SECTORS OF APPLICATION

- ✓ Auto Repair
- ✓ Do It Yourself
- ✓ Building & Decoration
- ✓ Boating
- ✓ Composite Materials
- ✓ Vehicle Production

SUITABLE FOR USE ON

- ✓ Aluminum
- ✓ Primers
- ✓ Hardwood
- ✓ Soft / Resinous woods
- ✓ Non-ferrous metals
- ✓ Synthetic materials
- ✓ Paint
- ✓ Veneers
- ✓ Plaster
- ✓ Chipboard
- ✓ Plaster of paris
- ✓ Copper / Brass / Bronze alloys
- ✓ Plastic materials
- ✓ Fiberglass

PRODUCT DATA

Backing: Polyester film with paper

Grain: Aluminum Oxide and Ceramic

Bonding: Double Resin

Width: 1650 mm

Coating: Open

Stearate: Yes

Grit: P40 - P3000

Color: Green
